

# CUSTOM FIT

## TRAINING AND DEVELOPMENT

## ABOUT CUSTOM FIT

This unique program offers the benefit of state-of-the-art training and development, customized to meet specific business needs, at an affordable cost. The Utah Legislature allocates Custom Fit funds each year to encourage companies to pursue training that will maintain and grow Utah's businesses and economy.

## BENEFITS

### FUNDING

Up to 40% of training costs may be funded by Custom Fit.

### OUR SERVICE

A training representative is available to help assess your company's training needs, obtain competitive bids & coordinate with instructors from development to implementation.

### CUSTOMIZATION

Training is customized to meet the needs of your organization.

### EASE

Training programs can be established quickly, in-person, via email, or on the phone.

### WORKFORCE & ECONOMIC DEVELOPMENT

Your employee's knowledge and skills increase, assisting organizational growth and development in Box Elder, Rich & Cache Counties.

### FLEXIBILITY

Training is provided at a location and time that meets your needs. Equipment, rooms, and labs are available at our facilities.

### QUALITY

State-of-the-art training and development is provided by world-class instructors
