Programs Approved for Veterans Education Benefits

The Utah State Approving Agency for Veterans Education approves the education and training of veterans and other eligible persons at Bridgerland Technical College for various certificate programs. Eligible programs may be considered and approved by the Utah State Department of Veterans Affairs if it provides a required number of hours, is offered during a required number of weeks, leads to a certificate or degree, and prepares students for gainful employment in a recognized occupation.

Note: Not all programs at an eligible institution qualify as eligible programs. Students with a Certificate Seeking enrollment objective may qualify. Students whose enrollment objective is Personal Interest, Online, Job Upgrade, or Short-term do not qualify.

Students enrolled in the following certificate programs may be eligible to receive <u>veteran benefits</u> for the hours indicated ( ) by selecting one of the approved certificates listed. <u>Students may only enroll in and receive benefits for programs identified</u>:

Students may be eligible for funding for enrollment in <mark>programs identified by highlight</mark> so long as student began enrollment in or changed enrollment into program September 27, 2018 or thereafter.

*These programs are in "Teach Out" status. Students who began training in October 2018 or later may not select these programs. Students may change enrollment into these programs so long as the change into these programs occurred prior to September 27, 2018.

Veterans and other eligible persons enrolled in the <u>Apprenticeship Program(s)</u> at Bridgerland Technical College may also qualify to receive veteran benefits. Please contact David Salgado at the State of Utah Department of Veteran Affairs for more information. He may be reached at (801) 584-1973 or salgadod@utah.gov

A current class schedule and school catalog may be available in Student Services for more information about these and other programs offered at Bridgerland Technical College. Or visit our college website online at www.btech.edu.

Most of the programs listed above are available on an open-entry open-exit basis at the colleges Logan (Main & West) Campus. Some are also available at the Brigham City Campus. Please check the current class schedule for program availability or contact the Financial Aid Office or Registration for more information. *Note: The Rich Campus is considered an auxiliary secondary school. As a result, programs at the Rich Campus are not eligible for the above funding.*
