

LEADERSHIP FUNDAMENTALS: FINDING THE LEADER IN YOU

March 15-18, 2027 | Logan, Utah

DEVELOP THE LEADERS YOUR ORGANIZATION NEEDS.

Practical leadership training for the real-world challenges facing today's public safety supervisors.

4 DAYS	30 SEATS	\$449	ALL PUBLIC SAFETY
32 hours	Limited enrollment	Per participant	Sworn & non-sworn

WHY THIS COURSE

Recruiting. Retention. Generational differences. Employee performance. Leadership credibility.

Today's public safety supervisors are expected to navigate increasingly complex workforce challenges - often with little formal preparation for the people side of leadership. **Leadership Fundamentals: Finding the Leader in You** develops leadership qualities across organizational levels by deepening understanding of leadership dynamics, strengthening interpersonal skills, and promoting ethical management practices. The four-day, 32-hour program uses interactive modules focused on critical leadership issues in the modern workforce.

WHO SHOULD ATTEND?	WHAT YOU'LL EXPLORE
Open to all public safety personnel, sworn and non-sworn, including: • Emerging leaders & supervisors • Managers & command staff • Law enforcement & corrections • Communications & clerical personnel • Fire & EMS personnel	• Role of the Supervisor • Supervisor & Subordinate Relationships • Planning & Decision Making • Directing & Leadership • Stress Management • Improving Personnel • Discipline • Supervisory Ethics • Teamwork • Employee Turnover & Retention • Generational Workplace Considerations
