Dear Water, Wastewater and Public Health Professional:

You are invited to attend a valuable wastewater operator certification training course. Bridgerland Technical College (BTECH) is pleased to offer a **WASTEWATER OPERATOR CERTIFICATION TRAINING** for **Wastewater Treatment** certification Grade 4. This training will be offered as a one (1) day course taught by Dr. Michael J. McFarland, PE. This course is the third of a three part series designed to prepare current and prospective wastewater operators to successfully pass the Wastewater Treatment Certification Exam (at Grades 1, 2, 3 and/or 4). Registration for the course can be completed online at <https://btech.jotform.com/241284675560966>. Please note that payment is due at the time of registration.

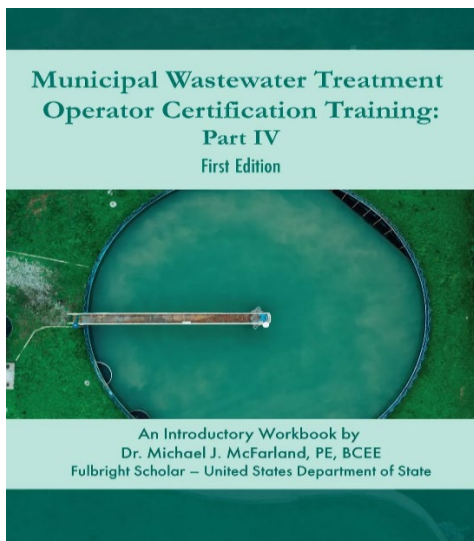

Training Dates: **Thursday, October 3, 2024**
Training Title: WASTEWATER TREATMENT OPERATOR CERTIFICATION TRAINING (GRADE 4)
Time: 8:30 am – 3:00 pm
CEUs offered: 0.5 CEU
Cost: \$400 per person
Location: In-person instruction and live remote course training will be delivered through the BTECH continuing educational program.

Registration: Online at <https://btech.jotform.com/241284675560966>

Course Manual The required course instruction manual **“Municipal Wastewater Treatment Operator Certification Training Part IV – First Edition”** may be purchased online from the following website: <https://celcertifications.com/training-books>

It is strongly recommended that the course training manual be purchased at least one week prior to attending class.
