Bridgerland Technical College Practical Nursing Program Application Checklist

Complete the following checklist and return it with your application. It is your responsibility to ensure that all items are completed. Please note that any missing information will render your file incomplete and you will not be considered as a possible candidate for this program.

Please **initial** or write N/A on each of the following statements:

- I have completed the Bridgerland academic assessment exam and enclosed a copy of the Assessment Center score sheet given to me by the Assessment Center Technician.
- I have fully completed the Bridgerland Nursing Application Form including the Goal Statement and sealed Reference Evaluation forms.
- I understand that after acceptance into the program, I will be required to submit to a national criminal background check, drug screen, and sex offender check.
- I have completed all prerequisite courses (from a regionally-accredited college or university) and preadmission courses with a grade of 'C' or better (a 'C-' is not acceptable). My prerequisite and preadmission courses' cumulative GPA is 3.0 or higher.

NOTE: If you attended an out-of-state school, please do the following: 1) find the school's accreditation status on its website and print; 2) go to the accrediting body's website and print out the page that says the school is regionally accredited. Include these documents in your packet.

- I understand that in order to receive a point for completing a degree, the degree must have been awarded from a regionally accredited college or university.
- I have submitted official transcripts from *all* of the colleges/universities where I *originally* completed the 7 prerequisite and preadmission courses. Transcripts may be submitted either by mail (please send Attn: Nursing Student Advisor) or in a sealed official envelope with my application. Transcripts not received by the application deadline, or which are opened, will render my file incomplete.

NOTE: We will **not** accept high school transcripts for college credit. You will need to submit the official transcript from the college. If you took your preadmission courses at Bridgerland during high school or as an adult, you may request a Bridgerland transcript by visiting our website at

http://btech.edu/students/student-guide#transcripts; mail, fax, or bring the form to Bridgerland's Student Services in person. Allow 3-5 business days for processing transcripts once information/payment has been received. Official Bridgerland transcripts are \$3 each.

- I have a cumulative GPA of 3.0 or higher for all "regionally accredited" college credits when added together at time of application.
- I am submitting transcripts from another state and I have provided a course description for each course so it can be determined if transfer credit can be given. I understand I only need to submit course descriptions for the prerequisite courses I want to transfer.
- I understand that if Bridgerland will not accept my out-of-state prerequisite courses for transfer credit, I may need to retake those courses and my application will be considered incomplete.
- _____ I have included a copy of my current certification as a CNA or MA (if applicable).
- _____ I have initialed or placed N/A on every line of this application checklist. I understand that failure to provide the above information by the application deadline will render my file incomplete and it will be returned.

Please include this form with your application. If you have questions concerning the application process, please contact the Nursing Administrative Assistant/Student Advisor at (435) 750-3140.

IMPORTANT! Be Sure to Read the Following:

In order to be a licensed nurse in the State of Utah, the applicant must be in conformity with the Utah Nurse Practice Act. Applicants who have been convicted of a felony; treated for mental illness or substance abuse; have been involved as the abuser in any incident of verbal, physical, mental, or sexual abuse; or may pose a threat to themselves, patients, clients, or to the public health, safety, or welfare because of any circumstances or conditions, should discuss their eligibility status with the Utah State Board of Nursing at the following telephone numbers: (801) 530-6628; (866) ASK-DOPL (toll free in Utah); (866) 275-3675

Acceptance and completion of the Bridgerland Practical Nursing Program does not ensure eligibility to sit for the Nursing licensure exam.

The Utah Board of Nursing makes the final decision on issue of license to practice in the State of Utah. If you have a record of convicted criminal actions it may affect your eligibility for admission to the Bridgerland Practical Nursing Program. Admission to the program is contingent upon submission of a satisfactory background check and random drug testing. If a background check reveals a history of convicted criminal actions you may be expelled from the program.
